Dear Families,

How lovely that Spring is finally showing us some sunshine! It has been lovely to be able to get outside more this week and the children have been enjoying the Bowling Green and even having picnics outside the Village Club at lunchtime.

This week, we have welcomed the RNLI into school to talk to our older children about beach safety. It was a great opportunity for the children to learn some really important skills.

Dolphins also welcomed the Geothermal energy group for a workshop linked to their learning in Geography. They learnt about this important energy source and it was lovely to see so many families join the family workshop after school exploring careers in sustainability.

A big Thankyou to Mrs Smith who came into school this afternoon as part of our learning about Aspiration. She talked about her very varied and exciting career and the children asked some great questions. They were definitely inspired to be aspirational!

We love Reading at Flushing so it has been lovely to celebrate World Poetry Day today with some great performance poetry from each class and Dolphins shared some online books they have created with their friends in Starfish.

Wishing you a restful weekend. Enjoy the sunshine!

Mrs Power
