Starfish Math's Workshop

We would like to invite parents of the Starfish Class our Math's Workshop.

This will be with Sonia Wilcox the subject lead and Zoe Mitchell the class teacher.

It will take place on Tuesday 23rd January in the Starfish Class.

It will start at 2:45pm and finish before the end of the day.

We look forward to seeing you, if you are able to attend.

Dolphins have been really creative this week, during the launch of their *Our Planet* topic...

Immersive, Inspiration Days at Flushing

...and Year 2 had an exciting session drawing (and if they chose to, tasting!) pasties as part of their *Tin Mining and Treasure* topic.

Poem of the Week

Sporting News!

Today many of the children in years 4, 5 and 6 took part in a cross-country competition at Penryn college. it was so wonderful to see the children put in so much effort to do the absolute best that they could. Their support and encouragement of one another was fantastic. We were the smallest school in attendance but had the largest number of children taking part which I think really reflects the attitude of our children. Well done to every single one.

Mrs Wilcox and Mr Mutsaers

Census Day Menu Change

The menu for next Thursday 18th Jan will be: It would be really helpful if all children in Reception, Years 1 & 2 could have lunch on this day as part of our funding is calculated by how many KS1 pupils eat a school lunch on this day.

Ferry News

I have been informed that the the ferry is scheduled to be serviced next month and as such, may be out of action for a few weeks; if you use the ferry, please be prepared to make alternative arrangements to get to school.

Please call: 07974 799773 for more information.

NB: Just a reminder, the ferry is entirely independent of the school; although office staff will always endeavour to help, if they can, should issues arise.
