

FLUSHING SCHOOL

NEWSLETTER

JANUARY 23rd 2026

Dear Families,

We have had another busy week of learning in school. The Dolphins class are really getting stuck into their Ancient Greek topic learning about myths and I have seen some great pottery homework projects coming into school. The Starfish are really enjoying the story about the lighthouse keeper's lunch and they have been creating a beautiful display in their classroom. What amazing constructions they are bringing in from home too! Seals have been busy scientists and there was some super electricity work going on this week. We may need to call on them for these power cuts!

In worship, we have continued thinking about inspiration and we shared the story about Grace Darling and her courage and determination. I have continued to receive some lovely pictures and writing from the children about their inspiration people.

In February, we will be going as a school to enjoy the village pantomime. We love going and we are also indebted to them for their generosity in donating ticket sales to the school. Last year, they donated a phenomenal £2000 to us which we used to buy outdoor furniture and books for our new library. Please support them by volunteering or by buying ticket donating a raffle prize. You will have a great evening as well as supporting the school!

With best wishes for a peaceful weekend,

Mrs Power

Reminder Starfish class are out on their trip next Thursday. They will need water-proof coat, packed lunch and a filled water bottle. They will be leaving here at 9.30 prompt and will be back by the end of the school day.
