

Much fighting in WW1 took place in trenches

Tanks were used for the first time on the battle fields of World War 1 and helped bring about the end of trench warfare.

This is the Sham Shui Po district in Hong Kong

## Dolphin Homework and Knowledge Organiser

### The First World War and population

Over this half term you need to do 3 activities (you can do more than the 3 activities during the time period and will be given Dojo points for doing so). **Choose one literacy task and one other from the list below plus My Maths.**

You can do your chosen activities in any order, but the first one must be returned by Thursday 18<sup>th</sup> September, the second by Thursday 2<sup>nd</sup> October and the third by Thursday 16<sup>th</sup> October. Homework that is not in on time or is below the standard we expect will be done at lunchtime.

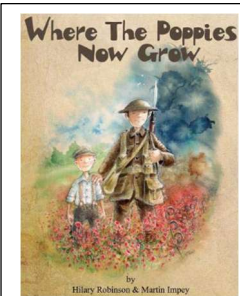

1. **My Maths** - You will find 3 pieces of homework set for you. You need to do all of the set tasks to count as one homework.

2. **Literacy- Either**  
**A day in the life...** - Imagine you live in a densely populated city. Explain what a typical day in this city would look like, what you'd do, what you'd see, how you travel around and how it would be different from Cornwall. You may want to set it out like a diary entry.  
**OR**

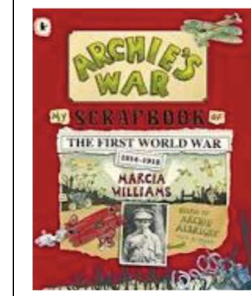

**Book review** - Write a book review (preferably with a link to our topic) on book you have enjoyed using a template Mrs Wilcox will provide on request. You might want to read one of the books on this sheet, but it does not have to be one of these.

3. **Topic-**  
**Music** - Find some songs that became famous during World War 1. Explain which one is your favourite and give reasons why. Maybe you could perform it to the class.  
**Research** - Populations - Find out and compare different populations around the world. Which country has the biggest population? What city has the biggest population? How about the smallest population? Find the population of some places you are familiar with in Cornwall e.g. Truro, Falmouth, Penryn, Flushing.  
**Draw** - Tanks were first used by the British in WW1. Draw a WW1 tank in as much detail as you can  
**Create** - A model of a gas mask. If trying it on, make sure you are able to breathe! Think about what materials you might use. You might be able to make a box to carry it in too.

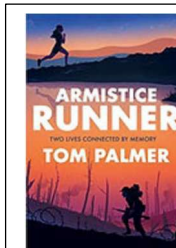

## Some books you might like to read about World War 1:

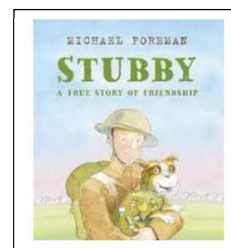

Where the poppies grow by Hillary Robinson

Archie's War by Marcia Williams

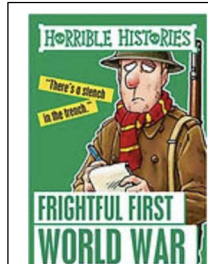

Armistice Runner by Tom Palmer

Stubby by Michael Foreman

Private Peaceful by Michael Morpurgo

Frightful First World War by Terry Deary

**Please note 'Private Peaceful' contains some very mature subject matter. You may want to discuss the content with me or your parents before reading.**
