Poem of the Week

(Sing to "If You're Happy and You Know It")

The Earth Day Song

By Zeebo Hawkins

Take care of our Earth every day.
It is where we live, work, and play.
A little part we each can do
To give back and say thank you.
Oh, take care of our Earth every day.

Reduce and recycle and reuse.
Reduce and recycle and reuse.
Think before you throw away.
Make a difference every day.
Reduce and recycle and reuse.

We sing this song on Earth Day
To remember where we live and play.
Don't forget that Earth's your home.
Let's work together, not alone.
Oh, take care of our Earth every day.

Year 1 went to Penryn today for the 'Mini-Olympics' session.

It was glorious weather and they had such a great time! Big thank you to Mrs Collins and Ms Coglan for accompanying them!

Special mentions to Coden and Wilf who had to run double the distances in the races as there were only the two of them competing!

Well done all of you! Mrs Collins said you all behaved impeccably!
