

Dear Families,

I'd like to start the newsletter with a special shout out to our fabulous Dolphins and, in particular, Year 6 who have completed their SATs this week. They have all been absolutely amazing and showed such resilience and tenacity even when they were tackling some challenging questions. We are very proud of each and everyone of them.

This week and next week have seen all the classes out and about. Dolphins and Starfish have visited the beach for scavenger hunts and shell collecting. I have been informed that the shells will come in very useful in deterring the slugs from our garden!

Seals are off to visit Soul Farm again next week. What is really special, is that all of these trips out have been in our local area. Flushing has so much to offer our children and it is lovely to see them enjoying our locality. A lovely quote from one of our volunteers when helping on the beach visit was "This is what childhood is all about!"

When talking about these trips with the children in worship, they recognised that by not using coaches or other forms of transport, they were also looking after our environment.

Just after half term, we will be saying a 'Goodbye' to Miss Cogan. We are sad to say farewell to Freya and thank her for all that she has given to the school. We will certainly miss her creativity. We know that she will be amazing as she follows her aspirations in the future and are pleased that we will still see her at pick up time for a catch up. Thankyou Freya and good luck with your next adventures.

With warmest wishes for the weekend.
