Flushing C of E Primary School

WEEK COMMENCING: 13th December

What a wonderful week of festive activities we have enjoyed! It was fantastic to see so many families join us for both the music recital and the KS1 Nativity this week. Both were very special and brought such joy to everyone there. Thankyou to you all for all the support you have given our children through helping them

practise, making costumes and being their greatest cheerleaders. In worship, we lit our third candle on our Advent wreath, very appropriately the candle of joy. We reflected on the joy this season brings and how we can bring the gift of joy to others.

We wish you all a joyous and enjoyable week-end.

With Best Wishes, Mrs Power

Sports News

We have had a very exciting sporting week this week. On Thursday, the sports academy children took part in 3x3 basketball tournament involving teams from across Cornwall. It was very competitive but the children maintained their composure and we managed to finish in second place of 10 schools.

On Monday a group of Flushing children took part in the annual swimming gala at Truro school. The children's support and encouragement of one another was excellent and we came out winners of the whole competition! Special mention has to go to Sennen and Lola for whom this was their first ever experience of a swimming gala.

Well done to all the children who represented the school so well across there 2 events: Morven, Alex.B., Alex.M., Austin, Arlo, Corinne, Freja, Nico, Eli, Lois, Mary, Sennen, Lola, Cricket. I'd also like to thank the parents who took time out of their busy schedules to transport the children and make it possible for us to attend these exciting events.
