**NEWSLETTER**  
**12th June 2026**

Dear Families,

I think this week has been the busiest but most fun of the year!

On Monday, we had our World Cup Art afternoon. I hope that you can see from the photos on dojo how much fun was had. The children are quite enthused about the competition and their teams picked through the sweep-stake, and are excited to see who wins now. The staff have also picked out teams and are equally excited!

Thankyou so much for all the support at our Sports Day on Tuesday. It was lovely to see so many families enjoying the event. A big thankyou again to Mrs Wilcox and her Year 7 helpers from Penryn College as well as the parents who ran the refreshments afterwards.

Yesterday, we had our library opening event. Again, I hope you have seen some of the photos on Dojo. It was really inspiring to work with children's illustrator, Rebecca Cobb during the morning and she was equally impressed with the children's art work. We had a lovely afternoon performing for members of the community and saying thankyou for all their help.

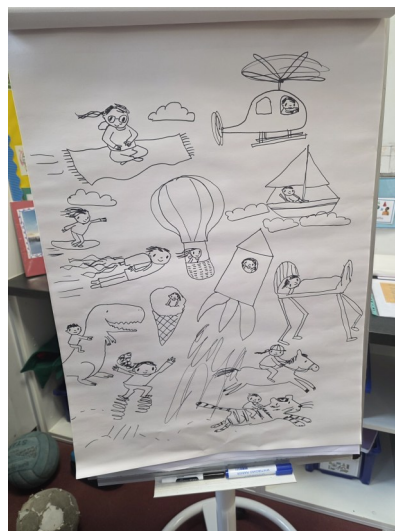

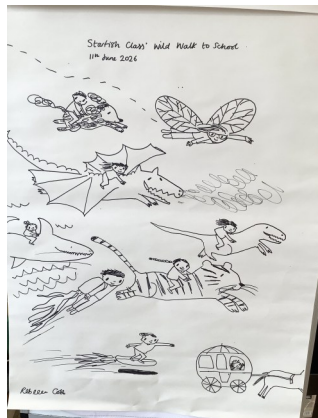

Today, the Dolphins have been at the university enjoying the Festival of Science. We have had a lot of fun engaging in a number of workshops. The university staff were very complimentary about our children's knowledge too.

Seals class, Mrs Thomas and I will be parading in the Sea Shanty festival on Saturday at lunchtime and then performing in Events Square with Will Keating so give us a wave if you see us!

Wishing you a restful weekend,

Mrs Power
