Flushing C of E Primary School

WEEK COMMENCING: 25th November

At the end of this busy week, I want to pause and show my gratitude to the whole school community during our Ofsted inspection this week. It was an absolute joy to see our school community work together and enable everyone to show off what a fantastic school Flushing is.

Firstly, and most importantly, a big thankyou to our children. It was wonderful to see them talking about their learning and their love for their school so enthusiastically. An inspector summed it up when he said 'Your children are amazing!'. They certainly are.

Thankyou to our wonderful, committed staff, many of whom came in on days off and for some, juggling child care for their own poorly children. Each and every one of them always goes above and beyond the expected.

Thankyou to our governors who juggled things so that they could attend meetings with the inspectors.

And thankyou to all of the parents who took time to fill in the survey with such supportive comments, send messages and keep us nourished with chocolate and biscuits! We are truly grateful.

We won't be able to share the report with you until the new year as it takes a bit of time for it to be quality assured and published but we will get it to you as soon as we can.

I hope you all have a great weekend,

Best Wishes, Mrs Power

"Nourishing to flourish in our world."

ADVENT

As we journey into the Advent period we are holding some special worships in school over the coming

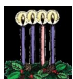

weeks. This week we lit our first candle representing Hope and heard the story of Angel Gabriel visiting Mary. I have attached our school Advent calendar which we are looking at each week.

Wednesdays Wellbeing club children enjoying fruit kebabs that they had made.

Wellbeing club

“Nourishing to flourish in our world.”

					
	Monday	Tuesday	Wednesday	Thursday	Friday
Week 1 – Hope	1st Week of Advent. Today the first candle on the Advent wreath is lit. When do we light the others? 	The birth of Jesus brings hope. Create a Star of Hope to show how you can bring hope to others. 	As a class, say the Maranatha . Listen carefully to the words and think about what they mean. 	Find out about The Children’s Society and how they bring hope to families. 	St Nicholas’ Day. Who is St Nicholas and what did he do to bring hope to the poor? 
Week 2 – Peace	2nd Week of Advent. Today find out why the Advent wreath is circular. 	Jesus helps people to find peace. Find a Peace prayer to say today for children living in war zones. 	As a class, make a Peace Paper Chain. Use your finished chain to decorate the Reflection Space. 	Pray for children who have no home. Ask God to keep them safe, and for us to find ways to help them. 	Make and deliver a Christmas card for an elderly relative or neighbour. 
Week 3 - Joy	3rd Week of Advent. Today find out why the third candle on the wreath is pink . 	As a class, sing Joy to the World. Listen carefully to the words and think about what they mean. 	Find out how Christmas is celebrated in another country. 	Make a Joyful Angel and think about how you can share the message of God’s love today. 	Your mission today: Bring a smile to at least five people. 
Week 4 - Love	4th Week of Advent. Today find out why the Advent wreath is made of ever-greens. 	Christmas Eve - Find a way to help at home to prepare for Christmas. 	Jesus is born! Happy Christmas! Remember to thank God and your family for all the gifts their love brings.	As we approach the New Year, make a Resolution - to share God’s love with everyone, everywhere.	

TASTER SESSION

Come along and join in Falmouth United's Wildcats Football taster session.

A fun, inclusive and confidence boosting introduction to football.

Football skills are incorporated into themed games and activities – this helps to engage your child's imagination and develop their creativity.

Girls will learn new football skills, make brilliant friendships and have fun together.

Girls aged 5 - 11.
November 24th 9.15 - 10.15
Penryn College, Tr10 8pz,
Hockey Pitch
