Poem of the Week

March is Here!

By Lenore Hetrick

When the bare, gray boughs
Creak and bend,
When the tall trees toss like wild,
When there is a roaring
Around the chimney
That frightens every small child!
When the clouds in the sky
Rush swiftly past
In shapes that you would fear,
Then there cannot be
The slightest doubt.
March! Wild March is here!

Thank You For Your Peace

Lord, help me to really know Your love for me, that any fear I may have will disappear. Thank You for Your peace which surpasses comprehension.

Amen
