Summer Works

We are so delighted with the new refurbishments across the school which took place over the Summer. I am sure that the children have been telling you about our new improved school. New doors, lighting and children’s toilets are in place and the floors in Dolphins and Seals have been sanded and varnished. A big thankyou to the Local Authority team for all their efforts!

Summer Reading Challenge

This years Summer Reading Challenge ends on Saturday 14th September.

Anyone wishing to collect their rewards and medal need to visit us before we close on Saturday bringing their collectors poster with them. Parents can come along without the children during the week if it is easier, they will also need to bring along the collectors poster.

Opening hours are:

Monday 9.30 – 5

Tuesday 9.30 – 5

Wednesday 9.30 – 1

Thursday 9.30 – 5

Friday 9.30 – 5

Saturday 9.30 – 1

Start of The Day.

A polite reminder that the school day begins at 8.45 a.m. Thankyou to the parents who fed back to me this week regarding the drop off window being very short if you are arriving by car. We will now be opening the class doors from 8.35 to allow a 10 minute window for arrivals rather than the previous 5. Please can I ask that all children are in school by 8.45. We begin lessons promptly at this time and if a child arrives late they will miss the start of the lesson.

Introducing Mrs Thomas!

We are delighted to welcome Mrs Thomas to the team as our new school secretary. Many of you will have already met her over the last week and I'm sure, been impressed by her friendliness and efficiency!

Mrs Thomas began her career at Portreath School as a volunteer but quickly moved onto becoming their School Business Manager and has recently been the Finance Manager in the Crofty Multi Academy Trust. She is looking forward to working in a small school again and getting to know you all.

Help wanted

Do you have an hour to spare and could help us out with some maintenance.

Some of the things that need addressing are

- Carpet strip in Dolphins needs screwing in
- Screws needed in a catch in Seals
- Balls etc need rescuing from gutters around the school
- Vegetation needs removing from gutters
- External fence some panels need replacing due to rotting wood
