

Flushing C of E Primary School

7th November 2025

Dear Families,

I hope you all managed to find some time to relax and spend some time together last week. It was so lovely to see so many of you at the Harvest worship just before half term. There were so many smiling faces and it was a joy to see the children singing and performing so beautifully. Thank you for supporting us.

This half term is packed with exciting events and opportunities to get involved.

Next week we are learning about friendship through anti-bullying activities linked to national Anti-Bullying Week. I have asked the children to wear odd brightly coloured socks with their uniform on Monday 10th to celebrate differences.

To commemorate remembrance, we will be creating a special tribute at the front of the school. Look out for this in the Starfish class window. Our Dolphins will be performing a special version of Dobson's War next week and we will get together as a school on Tuesday 11th November for a minute's silence. Don't forget poppies

are still on sale next week.

On Friday, it is Children In Need Day. We feel like we have asked for a lot of donations for the readathon, Harvest and poppies lately so we will not be collecting in school, however, the children may wear something spotty with their uniform next Friday if they wish.

We will soon be heading towards Advent, and we are looking forward to launching this year's reverse advent calendar. Look out for more information soon.

Wishing you a peaceful weekend.

Best Wishes, Mrs Power

School Photographs - Tuesday 11th November

On Tuesday, the children will have their individual photographs taken.

If you have a younger child (not yet at school) and would like them to have a photograph taken with their brother or sister, please arrive at the school by **8:25 a.m.**

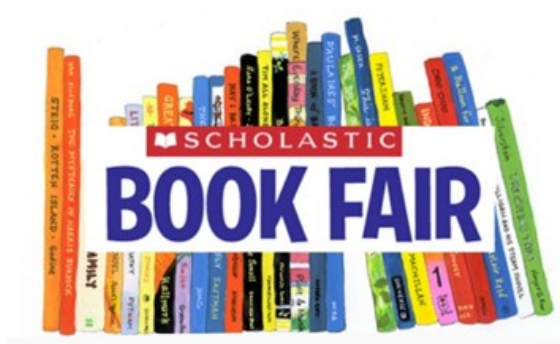

Tesco Stronger Starts **THANK YOU!**

A huge thank you to everyone who shopped at Tesco and added a blue token for **Flushing School**. We're delighted to announce that we have been awarded **second place**, which means we'll receive **£1,000!**

When we applied, we asked for funding to support our **Early Years area**, so this money will go towards purchasing additional **play equipment** for our youngest learners.

Once again, a very big thank you for your support — it really does make a difference!

Our Scholastic Book Fair is Coming!

We're excited to announce that this year's **Scholastic Book Fair** will be held at school from **November 24th to November 28th**.

This is a fantastic opportunity to **buy Christmas presents** and **support our school** at the same time!

The fair will take place in our **new library** — a perfect chance for you to come and see this wonderful new space. More details will be shared closer to the time.

As parents, you are truly **AMAZING!**

Today we were told that the total raised by the children for the Readathon is an incredible **£834.70!** After speaking with the company director, she said she was amazed that such a small school, with only 58 children on roll, could raise such a fantastic amount.

We would like to say a huge **thank you** to you, our parents, for supporting this very worthwhile cause. We know that one of our former pupils has ready benefited from these books being available in hospitals, which makes this achievement even more special.
