School admissions

We would like to hear your views on a proposed change to the admission arrangements for **Flushing C of E School** from the school year 2025/26

Cornwall Council is consulting on the admission arrangements for Flushing C of E School from 2025/26, specifically a proposal to reduce the Published Admission Number (PAN).

The PAN is the number of pupils that a school will admit up to for its new intake.

It is proposed to reduce the PAN for Flushing C of E School to **nine** from twelve.

This is because the school does not have the space to admit twelve children each year.

No other changes to the school's admission arrangements are proposed.

Places in reception would be allocated up to the PAN of nine.

If there are more applications than places available the school's oversubscription criteria would be used to decide which children qualify for a place.
