Parents

Here at Flushing, we are aiming to go cash-less, as far as is possible. To this end, please ensure you have activated your Parent Pay account (see Mrs. Tucker if you need the details).

Ensure you are able to access your account; as this method will increasingly be being used for paying for school-related items.

Many thanks for your support in this.

POEM of the WEEK!

The grass is green across the hill,
But yellow blooms the daffodil.
It's sunshine on a little stalk,
A friendly flower, I bet they talk...

Of little kids, too long inside
They burst outdoors to play and hide.
Tracking mud and bringing bugs.
Look, there's footprints on the rug!

Tiny whirlwinds, these little tykes,
They skin their knees while riding bikes.
They rip and roar, they're running wild!
What fun it is to be a child.

It grows warmer every day.
Shoo the children out to play!
Pick the flowers, play in mud.
Too much rain, here comes a flood!

My snowy, winter days are gone.
I mourn in trees; but I hear a song
Of birds in trees; wind chimes ring.
I guess it might as well be spring!

Seals Class Visited Falmouth Library!

They had the best time! Thank you to Mrs. Eva and all the willing helpers!

March!

Starfish have been working hard on finding ways to join and fold in DT!
Great work all of you,
they look amazing!!

I have never been disappointed with the school.

I feel very lucky my children get to go here.

Here are some of the responses from our recent parent survey.

Flushing is a wonderful, caring school.

Flushing C of E school has given my children the best grounding and sense of security in being themselves.

You Said, We Listened

Football coaching is booked for the Summer Term and an exciting opportunity to team up with the Go Active sports leaders is coming very soon! We also have a new mindfulness club on a Monday!

Use the local beach or forest.

Here at Flushing, we are committed to improving our lovely school still further. These are some of things we have done in response to your requests. We aim to build on these through more innovative ideas as we move through 2023!

A change of TUC activities would be nice.

Dolphins have been part of an exciting beach study with Exeter Uni and there is more excitement in other classes to follow!
