

Can you describe winter?

winter

In **winter**, the **weather** is much colder. Sometimes it is cold enough to freeze, leaving frost and ice on the ground. It sometimes snows. Many trees have bare branches as all their leaves have fallen off. The daytimes are the shortest in the year and the night times are the longest.

What animals live in the Arctic?

### Arctic

How are they adapted to their habitat?

## Starfish Homework Arctic Adventure

Over this half term you need to complete 3 activities, and this must include a Maths, Literacy and Topic piece of work. You can do your activities in any order but homework that is not handed in on time or is below the standard will be done at lunchtime. *Please post a photo or video of your homework on Class Dojo or hand it to me. The first piece must be completed by Thursday 10<sup>th</sup> November, the second by Thursday 24<sup>th</sup> November, and the third by Thursday 8<sup>th</sup> December.*

**Maths** - 3 tasks have been set on your My Maths account and you need to complete all 3 tasks for this to count as a homework. Send me a message if you want your sheets printed, or additional tasks added.

**Literacy** - Create a piece of writing inspired by the Arctic. Use the internet, books, videos or photos. Year 1 record words using phonics. Year 2 record sentences with capital letters, finger spaces and full stops.

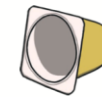

**Science** - Put a small figure in a pot of water and place it in the freezer. What do you think will happen? How will you get the figure out? Post a photo on Class Dojo and tell the class about your investigation.

**DT** - Make a small model or large den to represent an igloo. What materials will you use? How will you construct your igloo? What colours make it feel cold?

**Music** - Create a piece of winter music or perform a festive song. You could sing, play an instrument or create a dance routine. What inspired you?

**Remember daily reading and weekly spellings is part of your homework.**

You will need:

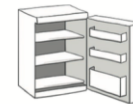

1 yoghurt pot

a figurine

water

A freezer
