

Friends of Flushing School

Raising funds to support our children through primary school

Flushing School Needs You!

After two years on the FOFS committee we would like to hand over to a new team with fresh ideas.

We will be stepping down at the end of September.

We're confident there is a group of friends in our amazing school community who can continue to lead fundraising and social events on behalf of the school. With support, the roles should only take up an hour or so a week.

We will, of course, be happy to help with the transition and to answer any questions. Please speak to Nicky van der Bij

or Tabitha Brunyee for more information.

Thank you so much for supporting another successful year of fundraising for Flushing School.

From gathering up old clothes for the Bags2Schools collection to wreath making and supporting the village panto, our whole community has helped us raise over £2000 this year.

As a result FOFS funded the Year 6's Leavers' Hoodies as well as their Leavers' Trip to

Flambards. Our sports teams also now have a set of supercool sports shirts. The stunning design was created by Torin in Year 6.

Money has also been set aside to help fund next years' residential.

Thanks to everyone for such generous support. We look forward to welcoming a new committee in the coming weeks.

Best wishes

FOFS Committee

This term our sports teams will get to wear the brand new sports shirts designed by last year's Year 6 Torin. They are going to look amazing!

The shirts were funded by FOFS—thank you everyone!

Over £2000 raised in 2022-23! Fantastic!

Raise money for Flushing School while shopping online! Visit www.easyfundraising.org.uk and select Friends of Flushing School as your chosen cause.

THANK YOU!
