Parents

Our wonderful Friends of Flushing are looking for some new members; if you can offer them a few hours each term or are just able to support some of the events laid on occasionally, they would be delighted to hear from you!

Harvest Festival

A huge 'well done' to the children who performed so beautifully during the Harvest Festival service today. Thank you to all the parents/carers and grandparents who came to watch; and of course, to all the staff who have been helping the children rehearse over the last weeks! The children were a credit to you all!

Netball News!

After a very challenging netball season, Flushing team recorded their first win, and what a great win it was! All season the children have shown great resilience and determination throughout every match. Special mention must go to Lily, the only Year 6 player in the team; who has encouraged and rallied those around her, week in and week out. She has made a fantastic team captain and has really led by example. Congratulations to Lily, Alex B., Freja, Lois, Corinne, Austin and Morven on your 3-0 win. It was very well deserved.
